Administrative Order No. 19  
Series of 2004

SUBJECT: Amended Omnibus Guidelines for Minors Travelling Abroad

Administrative Order No. 149, Series of 2001 and Administrative Order No. 288, Series of 2002 is hereby consolidated for clarity and easy reference. This was likewise, revised in conformity with the existing requirements of other partner agencies and to respond to issues and concerns based on the actual experiences of the field implementors.

This guideline henceforth, provides direction and guidance for the issuance of Travel Clearance/Parental Travel Permit to Minors Travelling Abroad.

**I. Legal Bases:**

1. The UN Convention on the Rights of the Child which the Philippines ratified on July 26, 1990 mandates State Parties to take measures to combat the illicit transfer and non-return children abroad (Articles 11) and to take all appropriate national, bilateral and multilateral measures to prevent the abduction of, the sale of or traffic in children for any purpose or in any form (Article 35).
2. RA 7610 also known as the Special Protection of Children Against Abuse Exploitation and Discrimination Act mandates the DSWD to issue a travel clearance to unaccompanied minors travelling abroad or written permit or justification from the child's parents or legal guardians (Article IV, Section 8, a), as a measure to protect children and prevent child trafficking. This law strengthens Article 3 on the rights of the child in the Child and Youth Welfare Code (PD 603).
3. RA 8239 otherwise known as the Philippine Passport Act of 1996 – requires the applicant (below 18 years old) to submit an affidavit of consent from a parent or those exercising parental authority and legal custody, if the minor is travelling with either one of them and a clearance from DSWD, if the minor is travelling with a legal guardian or a person other than a parent before the issuance of a passport (Sec. 51).
4. RA 9208 also known as the Anti-Trafficking in Person Act of 2003 requires the State to give highest priority to the enactment of measures to eliminate trafficking in persons and to mitigate pressures for involuntary migration. It is considered as qualified trafficking when it involves a child and his/her adoption is effected through RA 8043, "Intercountry Adoption Act of 1995" and said adoption is for the purpose of prostitution, pornography, sexual exploitation, forced labor, slavery, involuntary servitude or debt bondage.

5. RA 8043 "Intercountry Adoption Act of 1995" states that the Intercountry Adoption Board must protect the Filipino child from abuse, exploitation, trafficking and/or sale or any other practice prejudicial to the child.

## II. Statement of Policy:

The Department is mandated to provide special protection to children from all forms of abuse and other conditions prejudicial to their development. In compliance with the provisions of RA 7610, Article IV on Child Trafficking, a child shall not be allowed to travel alone to a foreign country without a travel clearance issued by the Department or a written parental travel permit if the child travels in the company of only one of the biological or adoptive parent, hence this guideline to ensure its effective implementation.

## II. General Policies:

1. The primary objective of the issuance of a travel clearance/parental travel permit is to protect minors from trafficking, abuse exploitation or improper influence by person/s engaged in trafficking.
2. A minor travelling with both parents, either biological or adoptive is exempted from the travel clearance requirement.
3. A minor travelling with only one parent whether biological or adoptive requires the accompanying parent to secure the appropriate Parental Travel Permit (PTP) to be executed by the other spouse.
4. An illegitimate child travelling with his/her biological mother shall not be required to secure the parental consent from the biological father. Even if recognized or acknowledged in the birth certificate by the father, an illegitimate child is under the sole parental authority of the mother unless custody is given to the biological father thru a Court Order.
5. A parent/person granted by the Court sole and absolute legal guardianship, parental authority or legal custody over the child is exempted to secure consent from the other spouse. This shall apply in situations where the parents are legally separated, divorced or have had their marriage annulled, and the Court granted sole custody and parental authority on one parent. The Court decision granting said divorce, legal separation or annulment should include a statement to this effect i.e. to whom the sole custody and parental authority is vested.
6. The biological father who petitions the Court and secure an Order vesting in him parental authority and legal custody over his illegitimate child/ren have the responsibility to notify proper authorities, i.e. Bureau of Immigration to hold the departure of his child from the Philippines without his consent thru a court order issued by the appropriate court.
7. A minor below 13 years of age is ABSOLUTELY prohibited to travel alone.

8. Abandoned/neglected minor/s who is/are voluntarily or involuntarily committed to the Department or the licensed/accredited agencies, the Regional Director or his/her authorized representative is the one responsible to give consent for the child to travel abroad for whatever purpose e.g. medical mission, study tour, etc. except when a child is leaving for intercountry adoption.
9. The travel clearance/parental travel permit shall be issued by the Field Offices who has jurisdiction over the residence of minor. ICAB shall be responsible to issue the travel clearance for minors subject for intercountry adoption.
10. The travel clearance/parental travel permit issued by the Department may be used for multiple travel abroad and is valid for a period of one (1) year upon date of issuance provided the minor shall be accompanied by the same person indicated in the travel clearance/parental travel permit.
