Administrative Order No. <u>05</u> Series <u>of 2007</u>

SUBJECT: SUPPLEMENTAL GUIDELINES ON PUBLIC SOLICITATION (Covering government agencies, corporations and state colleges and universities)

A. RATIONALE:

The Department of Social Welfare and Development (DSWD) exercises regulatory functions over the conduct of fund raising activities by any person, corporation, organization, or association for charitable or public welfare purposes. This is undertaken to prevent any illegal fund drive that exploits the generosity of the donors and intended beneficiaries. In carrying out this mandate, Administrative Order No. 79 s. 2003 was issued stipulating the policies, rules and regulations on public solicitation conducted by individuals and social welfare agencies. However, the guidelines did not explicitly cover the fundraising activities conducted by national government agencies (NGAs), government-owned and controlled corporations (GOCCs), state colleges/ universities and other government agencies.

Following the clear intention and spirit of the law to give legal sanction and to regulate the solicitation of donations and voluntary contributions from the public sector, the Department extends its regulatory functions to cover the fund-raising activities carried out by these agencies to enjoin the cooperation and support of the public in the various activities and projects they undertake from time to time. Thus, this supplemental guideline is hereby issued to prescribe specific procedures applicable to these agencies.

B. OBJECTIVES

- 1. To ensure transparent and efficient management of funds solicited from the public by national government agencies (NGAs), government-owned and controlled corporations (GOCCs), state colleges/ universities and other government agencies.
- 2. To protect the general public from unauthorized fund drive.

C. LEGAL BASES

- 1. Presidential Decree No. 1564 known as the Solicitation Permit Law, provides that any person, corporation, organization or association desiring to solicit or receive contributions for charitable or public welfare purposes shall first secure a permit from the Regional Offices of the Department.

- 3. Executive Order no. 24, s. 2001 Delegating to the DSWD the authority to grant authorization or disapprove requests for the conduct of national fund raising campaigns.

4. Executive Order no. 15, s 1998 sec. 3 (e) – mandating the DSWD to regulate fund drives, public solicitation and donations for charitable or welfare purposes.

D. COVERAGE

This supplemental guideline shall apply to all NGAs, GOCCs, state colleges/universities and other government agencies hereafter referred to as government agencies (GAs)desiring to solicit donations or receive contributions for charitable or public welfare purposes, **EXCEPT** those whose charter or with special laws specifically provides them an authority to solicit and/or conduct fund drives.
